

Client: Victorian Racing Club - Melbourne

VRC Kiosk and Ticketing Booths:

Adshel Infrastructure's dedicated technical design team has installed new modified shelters to provide the Victorian Racing Club (VRC) at Flemington Racecourse with four new ticket booths and a staff kiosk. The ticket booths and kiosk are an innovative adaption of the Evo shelter design and contain full glass panelling, security doors and sliding windows. These premium designs and the application of contravision decals to the shelters have brought life to the environment and is a testament to Adshel's ability to create revolutionary infrastructure solutions for clients.
